

Champaign County Rural Transit Advisory Group (RTAG)

Fourth Quarter FY20 Service Report

Grantee: Champaign County

Subcommittee & Oversight: Rural Transit Advisory Group (RTAG) & CCRPC

Operator: Champaign County Area Rural Transit System (C-CARTS) is operated by MTD

This table reflects rural public transit service provided within Champaign County for FY20 fourth quarter:

Trip Type indicates the purpose of each trip. Note: Trips to return home are classified by the trip's purpose preceding it. For example, if a rider goes to a doctor, then to a grocery store before returning home, the first trip would be medical and the return trip would be shopping.

Trips are one-way rides, counted each time an individual rider enters and exits a vehicle.

Days are the number of business days (normally M-F, except on Federal holidays and closures due to inclement weather) operated during the month.

Daily Average is the total trips divided by total number of operating days.

Denials are counted when a rider requests a trip that cannot be accommodated.

*These numbers do not include ridership of the fixed-route service, as trip type is not accounted for on that route.

Demand-Response Ridership
